

## Request for Council Action

**TO:** Mayor and City Council  
**THROUGH:** Tim Murray, City Administrator  
**FROM:** Paul J. Peanasky, Parks and Recreation Director  
**MEETING DATE:** September 11, 2018  
**SUBJECT:** Approve Quote for Base Prep for Basketball Court at North Alexander Park

---

### **Background:**

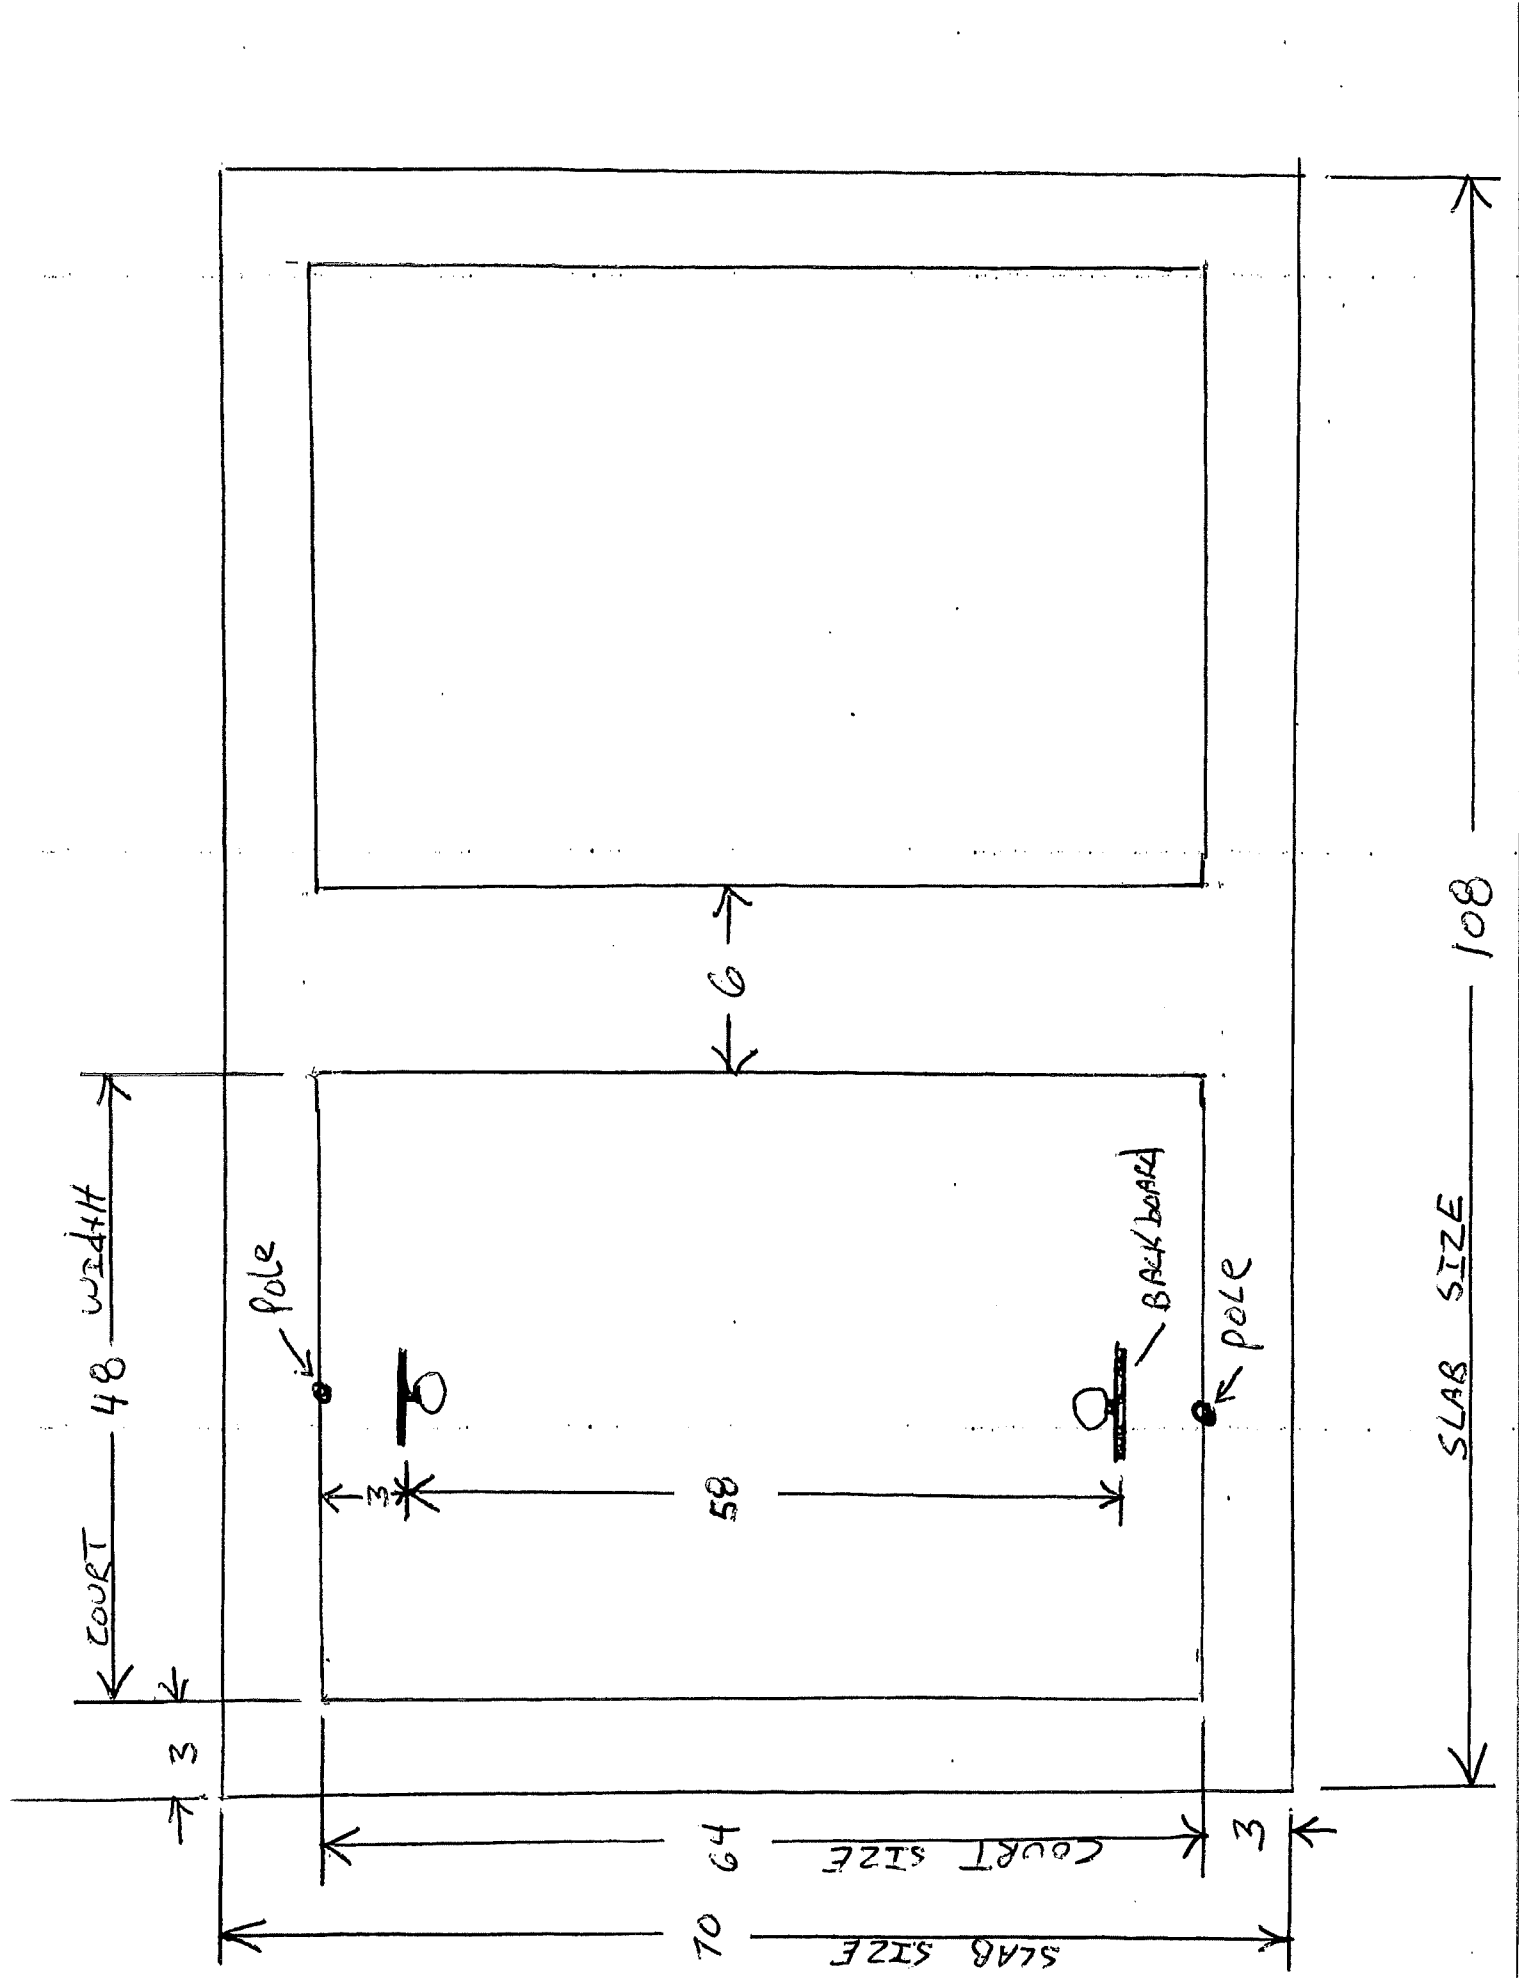

In the 2018 capital budget, we have funding for the installation of a basketball court. After doing site visits, the Park and Recreation Board determined the area in North Alexander Park east of the current sand volleyball courts would be the best location. We have received three quotes for the base prep with low quote coming from Hillside Excavating, LLC in the amount of \$8,700. Applying asphalt to the courts will be done by city staff and is estimated at \$8,000. We are still getting quotes for the painting of the courts. The vendors we have contacted tell us we need at least 30 days after the asphalt is installed, if temperatures are perfect, before they can paint the courts. Therefore, we would like to get the prep work done so we can install as soon as possible.

### **Recommendation:**

Staff recommends approving quote from Hillside Excavating, LLC for prep work for the new basketball courts at North Alexander Park in the amount of \$8,700.

We propose to furnish all materials and perform all labor necessary to complete the following:

Basketball Court North Alexander Park

Base Prep For Blacktop

Subcut area in preparation for 8" screened pitrun

Install geotextile fabric before screened pitrun is placed

Reshape perimeter for new basketball court height

Cover pitrun with 4" class 5 gravel and compact and level

The above work is to be completed in a substantial and workman like manner according to standard practices for the sum of:

Eight thousand seven hundred dollars and no cents-----\$8700.00

Any alteration or deviation from the above specifications involving extra cost of material or labor will become an extra charge over the sum mentioned in the contract.

Accepted:
