

## Request for Council Action

**TO:** Mayor and City Council  
**THROUGH:** Tim Murray, City Administrator  
**FROM:** Travis Block, Public Works Director  
**MEETING DATE:** October 23, 2018  
**SUBJECT:** Approve 2018 CIP Purchase- Portable Lift

---

### **Background:**

The 2018 Budget and CIP have approved \$40,000.00 for the purchase of a portable lift to be used by the Equipment Maintenance staff for repairs on heavy equipment. The lift has four independent columns, is capable of lifting 37 tons and will provide maintenance features that the stationary lifts cannot. For example, the ability to operate the lifts independently will assist in sweeper broom replacements as well as some heavy truck repairs.

Staff recommends the purchase of the lift from Midwest Lift Works Jordan, MN under Minnesota State contract #126-295 for \$36,381.50. There is no tax on the lift. The Capital Replacement Fund (431) will provide funding.

### **Recommendation:**
