### **Background:**

S&B LLP is requesting to temporarily sublease their private hangar on Lot 1209 at the Airport to Quality Aviation Inc, Fixed Based Operator (FBO) for the Airport. The sublease will allow the FBO to continue to operate its aircraft repair service at the Airport until a new facility is constructed after being destroyed by the tornado on September 20, 2018. Subleases of hangars are allowed under private hangar land lease agreements with written consent from the City. Approval of the sublease serves as written approval.
