

Council Committee Memorandum

TO: Joint Council Committee
THROUGH: Tim Murray, City Administrator
FROM: Travis Block, Public Works Director
MEETING DATE: June 4, 2019
SUBJECT: Downtown Area Traffic Study Requests

Background:

Staff has recently received several requests for the installation of additional 15-Minute Parking stalls in the downtown area, as well as comments regarding enforcement related matters in the downtown. The Official Downtown Parking Restrictions Map was recently amended on May 14, 2019 with the passing of Resolution 2019-091. At the time of adoption, the Council discussed the importance of implementing the amended map as approved and waiting for a period of one year before approving any additional amendment requests.

Based on the Council's desire to implement the approved downtown parking map, Staff is not recommending any amendments to the Official Downtown Parking Restrictions Map at this time, for a period of one year beginning May 14, 2019. Additionally, the matters identified in the requests, pertaining to enforcement, will be brought forward at a future meeting.

Location: 224 Central Ave - Keeper Antiques

Issue: We lost two 15 minute spots in or on the corner of our block. We need to keep spots available to short term shoppers. Also will help with the all day parking.

Request: Please place a 15 minute parking space by or next to handicap on corner of Central Ave and 2nd St by the Pawn Shop and Keepers Antiques. It will help with the flow of parking on our block.
