Domestic Violence Awareness Month

In October 1987, the first Domestic Violence Awareness Month was observed. That same year the first national toll-free hotline was begun. In 1989 the first Domestic Violence Awareness Month Commemorative Legislation was passed by the U.S. Congress. Such legislation has passed every year since with NCADV providing key leadership in this effort.

According to the 2018 Homicide Report compiled by Violence free Minnesota, at least 9 women and one man died from domestic violence last year, and at least four family members/friends/interveners were murdered. At least 11 minor children were left motherless due to domestic violence murders.

The purple ribbon campaign: Across the country, families and friends of victims of domestic violence have adopted the purple ribbon to honor loved ones who have lost their lives at the hands of someone they loved and trusted. The display of purple ribbons conveys a powerful message that there is no place for domestic violence in the homes, neighborhoods, schools, or workplaces in our community.

Talk to your family: Open communication about domestic violence, including appropriate behavior and boundaries, especially when dating, and what to do if you experience any type of behavior outside of these boundaries is important.

Speak up: If you have reason to suspect someone you know is a victim of domestic violence do not ignore it. Should you witness abuse, whether it is someone you know or a complete stranger, call the police immediately. If you know someone who is a perpetrator, let him or her know it is a crime. Explain you strongly disapprove of their behavior and encourage him or her to get help.

Purple Patch Project

In memory of our friend Barb Larson, and to help raise community awareness of domestic violence, our officers will be wearing a purple version of our patch this month. We are partnering with the Faribault Area Chamber of Commerce & Tourism to make patches available for a \$20 donation. All proceeds will go to the HOPE Center, our local domestic violence advocacy provider, to help support their work in

combating domestic violence. The limited edition patches are available at our front desk or the Chamber.

Homecoming Hi-jinks

Apparently, we’re not immune to the homecoming festivities. One of our officers returned to find his squad had been decorated by some daring kids.
