Applicant certifies that all information is correct and that all pertinent state regulations and city ordinances will be complied with in performing work for which this permit is issued.

APPLICANT'S SIGNATURE

*Electrical work commenced without filing the required permit, in addition to the permit fee, shall pay \$90 or two times the permit fee (whichever is greater) not to exceed \$1,000.00. *For purposes of interpretation, Minnesota rules, Chapter 3800, and the most recently adopted edition of the National Electric Code shall be prime facie evidence of the definitions, interpretations, and scope of words and terms used.

Requests for Electrical Inspection (REI) with a fee of \$250 or less expire 12 months from the filing date. The contractor must have the work completed within the 12-month period or submit another REI that includes the inspection fee for the uncompleted work. Inspection fees do not carry over from one REI to another.
