

This guide is intended to serve as a reference regarding bulk regulations that apply within the city's various industrial zoning districts. Bulk regulations cover such items as minimum lot size and lot area, building setbacks, maximum lot coverage, and other similar code provisions.

This guide is intended to be general in nature and should not be considered as the final or definitive authority on any of the matters it addresses.

If you have questions or would like more specific information, please contact:

**City of Faribault
Planning & Zoning Division
208 NW 1st Avenue
Faribault, MN 55021
(507)333-0387**

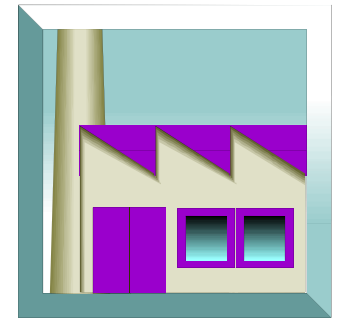

Q *Can I get a variance if I can't meet all of the requirements?*

A The City Council is authorized to grant a variance from any of the bulk regulations when a landowner demonstrates a practical difficulty. Please contact the Planning and Zoning Division for more information.
