

## Request for Council Action

**TO:** Mayor and City Council  
**THROUGH:** Tim Murray, City Administrator  
**FROM:** Mark DuChene, City Engineer  
**MEETING DATE:** July 28, 2020  
**SUBJECT:** Resolution 2020-110 Order Improvements, Approve Plans and Specifications, and Establish Bid Date for 2020 City Wide Storm Sewer Improvement Project – Contract 2020-09

---

### Background:

The attached resolution orders the improvements, approves the plans and specifications, and establishes a bid date for the proposed 2020 City Wide Storm Sewer Improvement Project (Contract 2020-09), including removals, storm sewer, grading, paving, restoration and related improvements.

The three areas for the proposed storm sewer improvements proposed to be included in this project are as follows:

Babbitt Court Storm Sewer Outfall  
 Faribault Middle School Culvert Trail Crossing  
 Four Seasons/Middle School Trail Storm Sewer Improvement

The purpose of the proposed projects is to improve drainage conditions and/or repair/replace functionally obsolete storm sewer systems.

The preliminary total estimated cost of the improvements including 10% contingency and 15% engineering is \$230,000.00. Proposed funding for the project is as follows:

Storm Water Utility Fund (603)	\$ 230,000.00	100%
--------------------------------	---------------	------

The attached resolution also establishes a bid date of August 19, 2020. Construction is scheduled to be completed by the end of the year.

### Recommendation:

Approve Resolution 2020-110

### Attachments:

- Resolution 2020-110
- Plans and Specifications (Cover Sheets Only)

## **CITY OF FARIBAULT**

---

### **RESOLUTION #2020-110**

#### **ORDER IMPROVEMENTS, APPROVE PLANS AND SPECIFICATIONS, AND ESTABLISH BID DATE FOR 2020 CITY WIDE STORM SEWER IMPROVEMENT PROJECT – CONTRACT 2020-09**

**WHEREAS**, the City wishes to protect and preserve its infrastructure including its storm water drainage system, and;

**WHEREAS**, there are segments of the existing storm water system that have shown deficiencies necessitating improvements to extend their useful life; and

**WHEREAS**, the City has developed plans to make improvements to said storm sewer system segments;

**WHEREAS**, the total cost of the improvements is estimated to be \$230,000.00, and;

**WHEREAS**, plans and specifications for the improvements have been prepared by the City Engineering Department.

**NOW, THEREFORE BE IT RESOLVED**, that the proposed 2020 City Wide Storm Sewer Improvement Project (Contract 2020-09), including removals, storm sewer, grading, paving, restoration and related improvements are hereby ordered as proposed.

**ALSO, BE IT RESOLVED**, that plans and specifications for the 2020 City Wide Storm Sewer Improvement Project (Contract 2020-09), prepared by the City Engineering Department, are hereby approved.

**ALSO, BE IT RESOLVED**, a bid opening date of August 19, 2020 is hereby established for the 2020 City Wide Storm Sewer Improvement Project (Contract 2020-09).

**Date Adopted:** July 28, 2020
