

Request for Council Action

TO: Mayor and City Council
THROUGH: Tim Murray, City Administrator
FROM: Andy Bohlen, Police Chief
MEETING DATE: October 27, 2020
SUBJECT: Approve Additional Factory-Added Equipment for the Community Service Vehicle

Background:

The approved 2020 Capital Improvement Plan (CIP) for the Faribault Police Department budgeted for replacement of one marked Community Service vehicle. The CIP budget per squad car is \$37,500, which includes additional equipment and installation.

On July 28, 2020, the Council approved the purchase of a replacement marked Community Service vehicle for \$23,991 from Bliss Ford in Faribault based on a memo for Council approval. That memo did not include the costs for additional equipment of \$3,129 bringing the total to \$27,120. These additions to the factory vehicle included needed equipment such as an engine block heater, class IV hitch package, reverse sensing system and other options in the X1E package.

There are still sufficient funds remaining in the CIP allotted budget of \$37,500 to cover other costs associated with outfitting the vehicle, including graphics and emergency equipment.

Recommendation:

Approve the additional equipment from the factory in the amount of \$3,129.00 for the 2020 F-150 Super Cab from Bliss Ford

MEETING DATE: July 28, 2020
SUBJECT: Approve 2020 CIP Purchase of Replacement
Community Service Vehicle

Background:

The approved 2020 Capital Improvement Plan (CIP) for the Faribault Police Department budgeted for replacement of one marked Community Service Vehicle.

The Department will replace a 2011 Dodge Ram (Unit #1511) that is expected to exceed 110,000 miles by the time it will be taken out of service and is currently beyond the factory warranty. With higher idle times during inclement weather, and the current engine hours, this vehicle may cause ongoing maintenance problems for the city.

The Faribault Police Department has received bids from the state contract vender, Tenvoorde Ford Inc, in St. Cloud, along with Bliss Ford in Faribault for a 2020 Ford F-150 Super Cab. Bliss Ford provided the lower bid of \$23,991.00 for the vehicle.

The remaining CIP allotted budget will allow the purchase of this vehicle along with the costs associated with outfitting the vehicle with graphics and emergency equipment.

Recommendation:

Approve the purchase of the 2020 F-150 Super Cab from Bliss Ford along with required emergency equipment through Guardian not to exceed \$37,500.
