

Request for Council Action

TO: Mayor and City Council
THROUGH: Tim Murray, City Administrator
FROM: Travis Block, Public Works Director
MEETING DATE: February 9, 2021
SUBJECT: Resolution 2021-031 Amend Official Downtown Parking Restrictions Map

Background:

The Official Downtown Parking Restrictions Map was last updated on January 14, 2020, with the passage of Resolution 2020-013. Staff has recently reviewed the map and identified updates necessary to reflect changes to public parking that have occurred since the last update, along with correcting mislabeled portions of the map. The following updates are recommended:

1. The addition of public parking lot #3 at 27 3rd St. NW constructed in 2020.
2. The addition of accessible parking stall labels in lot #18 at the Community Center.
3. The removal of lots #3 and #3A from 10 Division St. W, which is now the site of a multifamily housing development.
4. The removal of 18-hour on-street parking label from lot #10 at the Community Center and lot #17 at the Library.
5. Replace 18-hour public parking lot label with 18-hour on-street parking label on 5th St. NE, south of the American Legion.
6. Corrections to parking lot numbers.

The matter was discussed at the February 2, 2021 Joint Committee meeting where the recommendation was made to amend the map to include these changes. Attached Resolution 2021-031 amends the Official Downtown Parking Restrictions Map.
