

Request for Council Action

TO: Mayor and City Council
THROUGH: Tim Murray, City Administrator
FROM: Andy Bohlen, Police Chief
MEETING DATE: April 27, 2021
SUBJECT: Approve Purchase of Replacement K-9 Vehicle

Background:

The approved 2021 Capital Improvement Plan (CIP) for the Faribault Police Department budgeted for replacement of one K-9 vehicle. The funds supporting the purchase will come from Public Safety Fund 215.

The Department will replace a 2014 Ford Utility (Unit #2114) that will exceed 100,000 miles when it is taken out of service. This squad had been involved in a crash which has resulted in a high maintenance record. Also, it has extreme idle times due to required maintenance of inside temperature for the previous K-9.

The Faribault Police Department has spoken to the state contract vendor, Dodge of Burnsville, regarding a 2021 Dodge Durango Police Package. Currently, Dodge of Burnsville is not taking orders for the 2021 Durango and they do not have any available for purchase. The state vendor advised they would now only take orders for the 2022 police Durango but do not have the new pricing and are unsure when they would be available. Dodge of Burnsville did provide the 2021 pricing of \$33,630.00. A Faribault Dodge dealer was contacted but they do not have a Dodge Durango police package available. Through our fleet emergency equipment vendor, we located a 2021 Dodge Durango police package at Nelson Auto Center in Fergus Falls, MN. This dealership is not able to buy vehicles at the state contact price. Their price is \$887.92 over the state contract vendor price.

The Dodge Durango will primarily be used as a traffic car where the K-9 team will sniff out drugs and identify drug impaired drivers. In addition, the selected officer and new narcotics K-9 will be a valuable resource to the Cannon River Drug and Violent Offender Task Force.

Recommendation:

Approve the purchase of the 2021 Dodge Durango from Nelson Auto Center (\$34,517.92) along with the required emergency equipment through Guardian Fleet Safety not to exceed approved CIP of \$43,500.
