

## Request for Council Action

**TO:** Mayor and City Council  
**THROUGH:** Tim Murray, City Administrator  
**FROM:** Paul J. Peanasky, Parks & Recreation Director  
**MEETING DATE:** May 25, 2021  
**SUBJECT:** Resolution 2021-112 Approve Use of City View Park for American Radio Relay League (ARRL) Field Day

---

### **Background:**

Dan Kucera, on behalf of the Riverbend Wireless and Mechanical Society, has requested use of City View Park to host the 2021 ARRL Field Day Event from 10:00 a.m. on Saturday, June 26, 2021, to 4:00 p.m. on Sunday, June 27, 2021. The AARL Field Day Event is two fun days for amateur ham radio users. The days include a picnic, campout, practice for emergencies and an informal contest.

The park will be used to park an RV and to place a few wire antennas on the grass. A generator will be used to run the equipment but it will be set at the west side of the park so as not to disturb any neighbors. They will provide a portable toilet as well. They have also requested any park fees be waived.

### **Recommendation:**

Approve Resolution 2021-112 approve use of City View Park for the 2021 ARRL Field Day with all park rental fees waived.

Hello Paul, we would like to reserve Cityview Park again for our two day annual field day event. Dates are June 26-27. We would be using the park starting June 26th at noon until June 27th around 2:00 pm. We will be providing food for our members and guests and will be providing a porta potty. We will have insurance with the beneficiary being City of Faribault for the two days. I will provide the insurance information via email.

Thanks, Dan Kucera - Club President
