

Request for Council Action

TO: Mayor and City Council
THROUGH: Tim Murray, City Administrator
FROM: Travis Block, Public Works Director
MEETING DATE: February 26, 2019
SUBJECT: Approve 2019 CIP Purchase- Truck Utility Box

Background:

The approved 2019 Budget and Capital Improvement Plan (CIP) include \$15,000.00 for the purchase of a truck utility box for a pickup used by the Utilities Division in Public Works. The box will replace the fleet side box currently on the 2012 Ford F-250. The box will allow for better organization of tools and maintenance parts, along with allowing the Utility Operator to work off the curbside of the truck instead of the rear, thus increasing safety and productivity.

Staff has obtained a quote for a fiberglass truck utility box from ABM Equipment & Supply Hopkins, MN, under Minnesota State Bid Contract #150027 for \$13,373.00. There is no sales tax on the purchase. The Water Fund (601) will provide the funding.

Recommendation:

Approve 2019 CIP Purchase of Truck Utility Box from ABM Equipment & Supply
