

Council Committee Memorandum

TO: Joint Committee
THROUGH: Deanna Kuennen, CED Director
Tim Murray, City Administrator
FROM: David Wanberg City Planner
MEETING DATE: August 20, 2019
SUBJECT: Review of Downtown Master Plan

Discussion:

City Staff distributed a paper copy of the draft Downtown Master Plan to Council members on Tuesday, July 23. Council members were asked to provide comments to the City Planner by Friday, August 2. Staff received one set of comments from a Council member. However, other Council members may have comments that they would like to share at the August 20 Joint Committee meeting.

Staff is requesting that the Joint Committee provide final direction related to any potential refinements of the Downtown Master Plan. Staff will then direct the Planning Consultant to make the final changes, if any. We hope to have the Council adopt the final Downtown Master Plan at a regular meeting of the City Council on August 27 or September 10.
