Shop With A Cop

Officers, deputies and troopers paired up with nine kids for this year’s Shop With A Cop, coordinated by the Salvation Army. **Sergeant Eric Sammon** helped Jamarian Dominick, 9, get outfitted for winter during some shopping at Wal-Mart. Afterwards, they enjoyed pizza while continuing to build some relationships with the kids.

Safety Tips

With Halloween coming up soon, and you are shopping for costumes, here are some safety tips to keep in mind and review with your kids:

Costumes: My costume is short and snug

Baggy sleeves, big capes, puffy skirts can trip you up and catch fire if they brush against jack-o-lanterns or candle flames.

My shoes fit

Big floppy shoes (clown shoes, adult shoes) that are hard to walk in may make you fall.

My costume props are flexible

Costume props can hurt you badly if you fall. Make sure swords, knives, etc. are made of flexible plastic or rubber.

The eyeholes in my mask are wide enough

Make sure if you wear a mask that it fits you properly and the

eye-holes allow you to see fully. Don't wear a mask that is too loose; it can slop and block your vision. Even better, paint your face instead of wearing a mask. Make-up is a better option over masks.

Streets: Drivers can see my costume in the dark

Be original with a glow in the dark costume by attaching some reflective tape and stickers. Attach glow sticks to your costume.

I'm trick or treating in a group

Don't go it alone while trick or treating. Kids, if you're under age 13, make sure you go with an adult. Older kids should always go with buddies.

I cross the streets at crosswalks and intersections

Stop at street corners. Look left, right and left again before crossing, and don't cross between parked cars! Remember, never step into the street without looking to see if a vehicle is coming.

Treats:

I make sure my parents check my treats before I eat them

Pick only wrapped candy when you trick or treat. Ask your parents to check all treats to make sure they are safe.

BE SAFE and HAVE FUN!
