SERVICE REQUIREMENTS

I/We hereby apply for utilities and services at the address above under the terms and conditions as approved by the City of Faribault and agree to pay for same at the approved rates. I/We understand that any and all outstanding unpaid utility bills in the applicant's name at any previous residence in the City must be paid in full before new service will be established. I/We hereby confirm that all information on this application is correct.

I understand that failure to make monthly payments will result in my utility service being disconnected. If utility service is disconnected, the total delinquent amount owed plus a reconnection fee (as established by City Council in the fee schedule) will be required to resume service. At the time of reconnection the ONLY forms of payment will be cash, cashier's check, or money order. When all administrative efforts to collect the delinquent account have been exhausted, alternative collection methods will also be used, including collection agency, MN Revenue Recapture Program, legal action, or certification to property taxes.
