Domestic Assault Arrest

On Saturday, February 24, **Officers Chris Tonjum, Sean Smallen, Sarah Tollefson, Josh Alexander** and **Sergeant Mark Krenik** responded to a 911 hang-up. While en route, officers were advised that the caller had called dispatch requesting help in removing his girlfriend from the residence. On their arrival, a male told officers that he wanted his girlfriend kicked out of the residence. Ofc. Tonjum met with the female, who told him

that the male had become upset with her over text messages. She further reported that he flipped over their air bed, grabbed her arms and pushed her. Ofc. Tonjum could see marks and scratches on her arms consistent with an assault. The suspect, Brandon McNeal, 34, was arrested and jailed. He was charged with two counts of Domestic Assault (felony), and his bail was set at \$25,000 with conditions.

Sweet 16

On Wednesday, February 28th, **Officer Tony Larson** had received information from **Detective Jeff Burbank** of a 16-year-old female who's posts on Snapchat indicated she was selling narcotics. Ofc. Larson continued to monitor the social media account, and the suspect continued to post comments indicating she was selling. **Of-**

ficer Adam Marvin found the suspect's vehicle and stopped it. **Officer Josh Sjodin** and **Sergeant Brandon Gliem**, as well as Ofc. Larson arrived to assist, and Ofc. Larson noted the driver was the same person pictured in the posts. **K9 Cannon**, performing a sniff of the exterior of the vehicle, indicated he detected narcotics. The offic-

ers searched the vehicle and found 12 baggies containing over 32 grams of suspected marijuana which appeared to be packaged for sale, along with a glass pipe and other baggies which smelled of marijuana. The female was arrested and transported to a juvenile detention center. She was charged with 5th degree Controlled Substances.

Assignment Rotation

If you've paid attention to our sidebar over the past couple of months, you may have noticed a few changes. **Sergeant Brandon Gliem** has transferred to patrol, and **Sergeant Matt Long** transferred to investigations. After a successful tour assigned to the Cannon River Drug and Violent Offender Task Force, **Detective Cadie Spic-**

er has returned to patrol duties. She has been replaced by **Detective Jeff Burbank**. **Officer Matt Shuda** has been assigned as our one-year rotating detective. Finally, **Detective Scott Duncan** has transferred to patrol, and **Officer Josh Alexander** transferred to investigations. In our effort to help employees explore and

develop new skills, our detective positions are assignments rather than promotions. Our detectives, school resource officers and task force agents all work their assignments for a limited time, usually between one and five years. This provides opportunities for other officers to work in these assignments as well.

HRO Arrest

On Monday, February 26th, **Officer Karl Willers** saw a vehicle he knew belonged to a person who was the subject of an arrest warrant for Violation of an Harassment Restraining Order (HRO). Ofc. Willers stopped the vehicle and met with the driver, Christopher Vanerp, 50. He placed Vanerp under arrest without incident. Ofc. Willers noticed a person hiding underneath a coat in the back seat of the truck. **Officers Tony Larson and Adam Marvin** arrived to assist. The person eventually came out of

the truck, and officers recognized her. The officers also knew that the woman was the petitioner of an HRO against Vanerp (he is barred from having contact with the protected party). However, she was not cooperative in explaining to officers why she was with Vanerp. In searching the truck, officers found a glass pipe with suspected methamphetamine residue. Vanerp was jailed and charged with 5th degree Controlled Substances and Violation of an HRO. His bail was set at \$5,000 with conditions.

No License, No Luck

On Tuesday, February 27th, **Officer Adam Marvin** was conducting surveillance in an area that had been the source of numerous complaints of suspected drug activity. While watching the area, Ofc. Marvin saw a vehicle and pedestrian engage in what appeared to be a drug transaction. Ofc. Marvin began to follow the vehicle, and the driver stopped on his own, telling Ofc. Marvin that he felt he was going to be stopped. **Officers Karl Willers and Josh Sjodin** arrived to assist. Ofc. Marvin learned the driver,

Larold Kreger, 43, had a revoked drivers license. In searching Kreger, Ofc. Marvin discovered a glass jar with suspected marijuana residue, and a glass pipe with suspected methamphetamine residue in Kreger’s pocket. Ofc. Willers found suspected methamphetamine and paraphernalia in Kreger’s vehicle. He was arrested and charged with 5th degree Controlled Substances, Possession of over 1.4 Grams of Marijuana in a Motor Vehicle, No Proof of Insurance, and Driving After Revocation. His

bail was set at \$1,000 with conditions.
