## Adopt-a-Highway

Last week, **Officers Spencer Angle, Bill Considine, Matt Kolling, Sean Smallen, Tony Larson and Sergeant Brandon Gliem** conducted a semi-annual highway clean-up along MN 21. The officers collected 30 bags of trash, along with some copper pipe, a car battery and some paint cans. The section of highway was adopted by the Faribault Police Benefit Association as part of the group's commitment to the community.

**“The test of leadership is not to put greatness into humanity, but to elicit it, for the greatness is already there”.**

## Hands-Free, Minnesota

While the pandemic has seen a decrease in motor vehicle traffic on our roads, there has been an increase in unsafe driving behaviors. The month of April focuses on distracted driving prevention. We urge motorists to help make our roads safer by putting away the distractions. Minnesota's hands-free law means that drivers can

only use hands-free methods, such as Bluetooth, to communicate while driving. Please do your part as a responsible motorist and help everyone make it to their destinations safely.

## Thank You!

We want to extend a huge “thank you” to the numerous community members who have expressed their thanks and appreciation. Your calls, notes,

FB messages, and well-wishes do not go unnoticed. Our entire staff is buoyed by the support we receive from you. And we do not take this for

granted - we are blessed to work here and strive to give you our best service every day.
