## Car Seat Help

**CSO Sue Irvin** recently completed training as a Child Car Seat Technician. We are happy to provide this service to parents, grandparents, and others needing to use child restraints. CSO Irvin is available during the week to help people install and use child restraints correctly. Call us at 334-4305 to schedule an appointment. She will also work to conduct occasional car seat clinics for the public.

**Our offices will be closed on  
Monday, May 31st in observance of  
Memorial Day.**

## Level 3 Notification

On June 3rd, Clinton Juring will be moving to a residence in the 400 block of 4th Avenue NW. Juring is a Level 3 predatory offender. Juring has lived in the community previously, and had been assigned as a Level 2 offender. However, due to continued non-sexual criminal activity and new charges, his risk level was elevated. Because he has previously resided in Faribault, a community notification meeting will not be held.

Persons witnessing suspicious behavior are asked to call us at 334-4305. The Faribault Police Department may not direct where this individual does or

does not reside, nor can this agency direct where they work or go to school.

Convicted sexual and predatory individuals have always been released to live in our communities. It was not until the passage of the Registration Act that law enforcement had an ability to track movement of these individuals after their initial release. With the passage of the Community Notification Act law enforcement may now share information about many of these individuals with the public. Abuse of this information to threaten, harass or intimidate a registered person is unacceptable and such acts could be charged as a crime. Such abuses could potentially end the ability of law enforcement to provide these notifications.

***“But he that dares not grasp the thorn should never crave the rose”.***

Died May 28, 1849

## Seatbelt Enforcement

As part of Toward Zero Deaths efforts to reduce traffic fatalities and injuries, enhanced seatbelt enforcement will be conducted from May 24-June 6. Officers, deputies and troopers statewide will be watching to make sure motorists are buckled up and that child restraints are used properly.

Last year, preliminary figures show that 112 unbelted motorists died on Minnesota roads

compared to 73 in 2019. The 112 deaths were the highest since 2012 (116).

Unbelted deaths are on pace to exceed 2020 numbers. Between January 1 and April 22, preliminary reports show 31 unbelted motorists have died so far this year compared with 22 this time last year.

Buckle up and help make our roads a safer place to travel!

## Donation Drop-off

On Monday, May 24th, Bethlehem Academy students Karlie and Brooke met with **Captain Dave Dillon**. The pair stopped by the department to drop off cards and treats. Students from Divine Mercy and Bethlehem Academy wanted to recognize and thank officers for their service to the community, and made cards during Police Week. We appreciate the thoughts and donations from the students!

## DWI Arrest

On Wednesday, May 26th, **Officer Reed Bartsch** stopped a vehicle driving without its headlights. As he spoke with the driver, Kathryn Jerrow, 31, Ofc. Bartsch could smell the odor of an alcoholic beverage coming from her, and noted that her eyes were bloodshot and watery. He administered field sobriety tests, and Jerrow displayed more signs of intoxication. She was arrested. At the jail, Jerrow submitted to a breath test

which indicated a .12 BAC. In Jerrow's purse, Ofc. Bartsch found a bottle containing numerous pills but did not have a prescription label. Jerrow stated the prescription label fell off of the bottle. Jerrow was charged with 3rd degree DWI and 5th degree Controlled Substances. She was released on her own recognizance by the court.
